

Ru-woohooo-i

Dedicated to Rui Roda

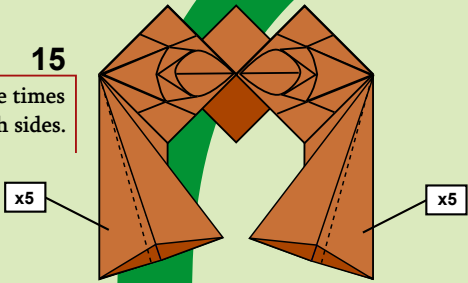

Design and Diagrams by Alexander Kurth

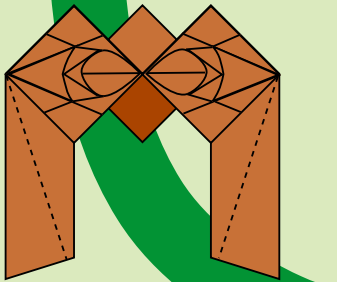

16
Make folds as shown and shape the model.

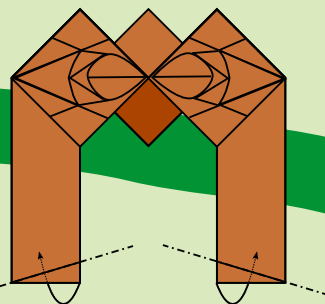

15
Repeat five times on both sides.

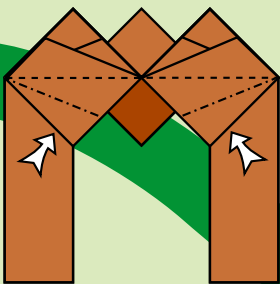

14
Valley fold the first flaps as far as possible.

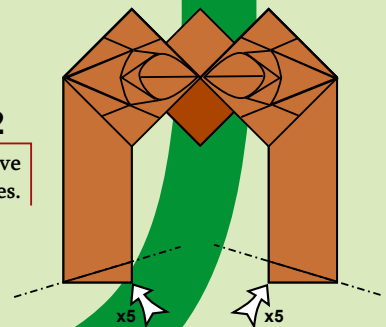

13
Mountain-fold the last layers.

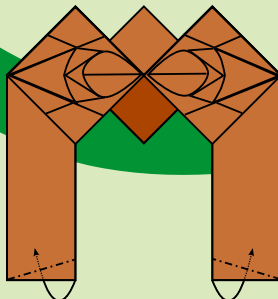

10
Squash-fold two flaps but don't press them flat!

12
Reverse-fold five edges on both sides.

11
Mountain-fold only the first layers and only a small part.

Finished Ru-woohooo-i!
